A similar review may be conducted for each committee by the Board with the aim of assessing the performance of each committee and identifying areas where improvements can be made.

The Committee will oversee the evaluation of the remuneration of the Company's senior executives. This evaluation must be based on specific criteria, including the business performance of the Company and its subsidiaries, whether strategic objectives are being achieved and the development of management and personnel.

The Company must disclose, in relation to each financial year, whether or not the relevant annual performance evaluations have been conducted in accordance with the above processes.
